

Another successful Shred Day!

We hosted one of our semi-annual Shred Day events on Saturday, May 8 at our Terry Square branch. We loved seeing so many familiar faces (as well as new ones!) as we collected bags and boxes of personal documents to be shredded. Stay tuned to our social media pages for news about upcoming events!

Best of luck, Grads!

Congratulations to our annual scholarship winners!

Each spring we hand out three scholarships to members who are headed to college or university in the fall. Good luck to our winners and all of the scholarship applicants and recent grads in the Cencap family
